

2. Create locate profiles

Configuration ? Fulfillment ? Resource Sharing ? Locate Profiles

Type is "Fulfillment Network"

The screenshot shows a web interface for creating a locate profile. The main heading is "Locate Profile Details". Below the heading is a search bar containing "AU". There are two tabs: "Locate Profile Details" (active) and "Locate Profile Parameters". The form contains the following fields:

- Name ***: Text input field containing "AU".
- Description ***: Text input field containing "American University Library".
- Type**: Dropdown menu with "Fulfillment Network" selected.

On the left side, there is a vertical blue sidebar with several navigation icons. On the top right, there are "Cancel" and "Save" buttons.
