

Shared Electronic Collections

Below is a list of current shared electronic collections that are kept and managed in the WRLC Network Zone. The table is updated as new collections are added. You can find links to the original Google Sheet (as well as Google Sheets for previous years) on the left-hand side of this page. Please note that only the Google Sheet lists the number of portfolios in each e-collection.

To see a current list of shared e-collections along with the number of active portfolios, please see the [WRLC Shared E-Collections report](#) on the WRLC Intranet.

If you have any questions regarding paid subscription packages, please contact the [WRLC Coordinated Collections Committee](#). If you have any questions regarding open access collections and/or Institution Zone access, please open a ticket in the [WRLC Service Desk](#) (or email servicedesk@wrlc.org).
