Update Rota Template Members

After the refresh, the Rota Template has the full compliment of partners for Consortium Book Borrowing (CLS-Physical) template. Members that do not have an IZ Sandbox need to be removed for the Rota to work properly. Currently, the members should be AU, DC, and GW. Remove the others that do not have a PSB.

In the PSB Network Zone:

Fulfillment --> Resource Sharing --> Rota Templates --> Edit Consortium Book Borrowing (CLS-Physical)

- On the Member Tab, select and Remove the IZs that are not represented in the Sandbox.

- Don't forget to Save.
